

Map Separates 1:250,000-Scale Maps

1. Use this form to order color separates, feature separates, and composites of 1:250,000-scale maps. These maps represent an area of 1 degree of latitude by 2 degrees of longitude. For information about map separates, see the Map Separates fact sheet.

2. Some feature separates are not available for all maps, and only color separates can be purchased. Specify in the special instructions section of the reverse side if tint plates are to be excluded from the composite or ordered separately. Unless otherwise specified, standard USGS screens will be used.

3. Domestic Orders. Payment (check, money order, purchase order, any major credit card, or Government account) must accompany order. Please include a **\$5** handling fee. Make all drafts payable to the Department of the Interior-USGS. **Do not send cash.** Delivery will be provided by a Government-selected courier. If you request a specific courier service, please provide your courier account number.

4. International Orders. All international orders must be prepaid. Payment for orders shipped outside the United States may be made with any major credit card or international money order

drawn on U.S. funds. Customers are responsible for shipping costs, customs fees, and any other charges associated with international shipment. Please designate a preferred carrier (FedEx, DHL, or UPS) and provide your carrier account number and telephone number for shipping. A handling fee of **\$5** will be charged for each international order.

5. For more information, pricing, and ordering assistance, please call an Earth Science Information Center at 1-888-ASK-USGS.
